Lisbon 2019

The bridge to the future

28th Annual Scientific Meeting
26-28 September
congress.eao.org

Congress chair
Gil Alcoforado
Congress co-chair
Susana Noronha

Invited country:
Brazil

In collaboration with
On behalf of the European Association for Osseointegration (EAO), we are delighted to welcome you to Lisbon for the EAO’s 28th annual scientific meeting. We are excited to share new research and ideas with you and show you what Portugal’s capital has to offer.

Over the next three days some of the biggest names in implant dentistry will present their research and clinical findings. This year’s programme features more interactive elements than ever before, allowing you to engage with speakers and fellow delegates, ask questions and exchange ideas.

The theme of the congress is building a ‘Bridge to the future’ of implant dentistry. Reflecting this, our scientific programme has a special focus on the future: sessions will explore emerging techniques and workflows. You will have the opportunity to take part in these dynamic and interactive sessions as speakers tackle hot topics relevant to clinical practice.

The conference is a great opportunity to network, share research and discover new technology. The trade exhibition will bring you up to date with the cutting edge of research and innovation.

We hope you make the most of your congress experience here in Lisbon, and help us inspire the future of implant dentistry.

Welcome to Lisbon

On behalf of the European Association for Osseointegration (EAO), we are delighted to welcome you to Lisbon for the EAO’s 28th annual scientific meeting. We are excited to share new research and ideas with you and show you what Portugal’s capital has to offer.

Over the next three days some of the biggest names in implant dentistry will present their research and clinical findings. This year’s programme features more interactive elements than ever before, allowing you to engage with speakers and fellow delegates, ask questions and exchange ideas.

The theme of the congress is building a ‘Bridge to the future’ of implant dentistry. Reflecting this, our scientific programme has a special focus on the future: sessions will explore emerging techniques and workflows. You will have the opportunity to take part in these dynamic and interactive sessions as speakers tackle hot topics relevant to clinical practice.

The conference is a great opportunity to network, share research and discover new technology. The trade exhibition will bring you up to date with the cutting edge of research and innovation.

We hope you make the most of your congress experience here in Lisbon, and help us inspire the future of implant dentistry.

Welcome to Lisbon

**Industry lunch symposium organised by Planmeca**

**Plenary session 3**

**Clinical case presentation and discussion**

**OVERFLOW**

**Dental assistants course**

**Hands-on workshop**

**SPERO session**

B3D lip sculpture: the harmony of lips with smile and face

**SPERO session**

Osteogenic distraction: application in aesthetics, orofacial physiology and rehabilitation

**Best poster presentations**

**Oral comm. Clinical research – prosthetics**

**Certification workshop**

**Tune in on YouTube and join the experts’ discussion online!**
Invited country

Brazil

The EAO is the leading European association for scientists and clinicians working in the field of implant dentistry. Since its foundation in 1991, the EAO has brought together practitioners and researchers from around the world to share their ideas and expertise.

This year, the Board of Directors is delighted to welcome Brazil as a guest country to the annual congress in Lisbon. With the highest number of members in South America, a very active dental community and its mutual history with Portugal, Brazil was the natural choice for this year’s guest country.

Don’t miss the dedicated ‘Brazil and friends’ session on Friday afternoon (27th September) on “Improved aesthetic outcomes with anterior implants” featuring international speakers from Brazil and Israel.

Simultaneous translation

Plenary sessions
Please note that plenary sessions will be translated from English to Portuguese, Russian and Turkish.

Scientific programme

Thursday 26th September
Morning

9:00 - 13:00

Rooms 9 and 10

JUNIOR COMMITTEE

HANDS-ON WORKSHOP

My first implant

CHAIRS
Iva Milinkovic (Serbia)
Ferruccio Torsello (Italy)

Session organised with the help of our Diamond sponsors: BioHorizons Camlog, Dentsply Sirona, Geistlich Biomaterials, Nobel Biocare, Straumann and Zimmer Biomet, and the support of Hu Friedy, Henry Schein and B. Braun.

THEORETICAL PART
- Osseointegration and factors influencing osseointegration
- Implant selection
  - bone-level vs tissue-level implants
  - parallel wall vs tapered implants
  - implant connections and implant surfaces
- Treatment planning
  - patient selection and analysis; radiographic, surgical and prosthetic implant treatment planning
- Surgical aspects of implant placement
  - incisions, flap design and three-dimensional implant placement step-by-step
- Prosthetic rehabilitation of implants
  - what you need to know at the beginning

PRACTICAL PART
- Hands-on exercises with pig jaws

Thu Fri Sat
Thursday 26th September
Afternoon

13:00 – 14:45

**PLENARY SESSION 1**

New avenues in implant dentistry

**CHAIRS**
Björn Klinge (Sweden)
Dagmar Bunaes (Norway)

Are stem cells the implants of the future?
Kamal Mustafa (Norway)
The future of bone regeneration
Mariano Sanz (Spain)

15:15 – 16:45

**SESSION 1**

Implant rehabilitation in older patients

**CHAIRS**
Luca Cordara (Italy)
Pedro Nicolau (Portugal)

Identifying the best treatment options
Jocelyne Feine (Canada)
Age-related oral health problems
Inger Wårdh (Sweden)
Peri-implantitis in elderly patients with dementia
Frauke Müller (Switzerland)

**SESSION 2**

Should we avoid implants in the aesthetic zone?

**CHAIRS**
Irena Sailer (Switzerland)
Isabella Rocchietta (UK)

Placing implants in the aesthetic zone
Homayoun Zadeh (USA)
No implants in the aesthetic zone
Markus Hürzeler (Switzerland)

20:00 | **Members and Faculty dinner at Tapada da Ajuda (sold out)**
Ask for your invitation card at the table plan desk in the registration area and choose a table with your friends.
Complimentary bus service from the Ritz Four Seasons hotel at 19:30
Dress code: Cocktail dress; business attire.

22:00 | **Congress party at Ministerium Club**
Open to all delegates
Don’t forget to pick up your ticket for free entry and a complimentary drink at the social events desk in the registration area.

**ORAL COMMUNICATIONS**

**Basic research 1**

**CHAIR**
Niklaus P. Lang (Switzerland)

**JUDGES**
Erhan Firatli (Turkey)
Magnus Jon Björnsson (Iceland)

**Clinical research – surgery 1**

**CHAIR**
Hendrik Terheyden (Germany)

**JUDGE**
Paulo Mascarenhas (Portugal)

Follow us on YouTube
Friday 27th September
Morning

9:00 - 10:30

**Auditorium**
SESSION 4
Loading protocols revisited
CHAIRS
Pascal Valentini (France)
João Pimenta (Portugal)
The US perspective
Jeff Ganeles (USA)
The European perspective
João Caramês (Portugal)

**Room 6**
SESSION 5
Mapping a digital workflow: clinical and laboratory perspectives
CHAIRS
German Gallucci (USA)
Luis Redinha (Portugal)
Clinical perspective
Eric Van Dooren (Belgium)
Laboratory perspective
Vincent Fehmer (Switzerland)

**Room 2**
SESSION 6
Biological and technical complications
CHAIRS
Franck Renouard (France)
Werner Lill (Austria)

9:00 - 12:00

**Room 8**
ORAL COMMUNICATIONS
Basic research 2
CHAIR
Niklaus P. Lang (Switzerland)
JUDGES
Erhan Firatlı (Turkey)
Magnús Jon Björnsson (Iceland)

**Room 10**
ORAL COMMUNICATIONS
Clinical research – surgery 2
CHAIR
Hendrik Terheyden (Germany)
JUDGE
Paulo Mascarenhas (Portugal)

11:00 - 12:00

**Room 9**
SPPI SESSION 1
Aesthetic commitment: will it be irreversible? Part 1
CHAIR
Inês Faria (Portugal)
A multidisciplinary approach to the aesthetic sequelae of periodontal treatment
Ricardo Faria e Almeida (Portugal) and Adriano Sousa (Portugal)

11:00 - 12:30

**Auditorium**
PLENARY SESSION 2
How to treat cases involving buccal bone loss after extraction
CHAIRS
Alberto Sicilia (Spain)
Ronald Jung (Switzerland)
The IDR (Immediate Dentoalveolar Restoration) solution
José Carlos Rosa (Brazil)
The L-PRF solution
Marc Quirynen (Belgium)
The soft tissue solution
Ion Zabalegui (Spain)
**Friday 27th September**

**Afternoon**

 Soon to be held at Auditorium

### SESSION 7

**Zirco-mania: where are we today and where are we heading?**

**CHAIRS**

- Florian Beuer (Germany)
- Fernando Guerra (Portugal)

**Zirconia on teeth**

- Daniel Edelhoff (Germany)

**Zirconia on implants**

- Wael Att (USA)

### ROOM 6

### SESSION 8

**Immediate placement and immediate loading: current and future outlook**

**CHAIRS**

- Henning Schliephake (Germany)
- Oscar Gonzáles Martín (Spain)

**Staged placement approach**

- Ueli Grunder (Switzerland)

**Immediate placement approach**

- Marco Degidi (Italy)

### ROOM 9

### ORAL COMMUNICATIONS

**Clinical innovations 1**

**CHAIR**

- Frank Schwarz (Germany)

**JUDGES**

- Nikolaos Donos (Hong Kong)
- Anja Zembic (Switzerland)

### ROOM 10

### ORAL COMMUNICATIONS

**Clinical research – peri-implant biology 1**

**CHAIR**

- Andrea Momberelli (Switzerland)

**JUDGES**

- Giovanni Sav (Switzerland)
- Flemming Isidor (Denmark)

---

Soon to be held at Room 2

### BRAZIL AND FRIENDS’ SESSION

**Improved aesthetic outcomes with anterior implants**

**CHAIRS**

- Arthur B. Novaes Jr. (Brazil)
- Manuel Neves (Portugal)

**Biological foundations for improved aesthetic outcomes**

- Arthur B. Novaes Jr. (Brazil)

**Single implants vs multiple implants in the aesthetic zone**

- Mario Groisman (Brazil)

**Strategies to optimise aesthetics around dental implants in the anterior zone: an update**

- Jamil Awad Shibli (Brazil)

**Digital techniques: guided surgery and predictable aesthetics**

- Diego Zimmermann (Brazil)

**The relationship between peri and implants in the aesthetic zone**

- Gustavo Giordani (Brazil)

**How to confront severe defects in the anterior maxilla**

- Zvi Artzi (Israel)

---

Soon to be held at Room 3

### SESSION 9

**A growing problem: recessions around implants**

**CHAIRS**

- Mauro Labanca (Italy)
- Paulo Mascarenhas (Portugal)

**How to prevent recessions around implants**

- Anton Sculean (Switzerland)

**Treatment of recessions around implants with the tunnel technique**

- Sofia Aroca (France)

**Treatment of recessions around implants with the VISTA technique**

- Alfonso Gil (Spain)

### ROOM 6

### SESSION 10

**The quest for perfection: achieving the best aesthetic results**

**CHAIRS**

- Per Vult von Steyern (Sweden)
- Guillermo Pradies (Spain)

**Achieving the best aesthetic restorations: are materials the answer?**

- Marcelo Calamita (Brazil)

**Prosthetic considerations when rehabilitating implants in the aesthetic zone**

- Nunno Guilherme (Portugal)

---

Soon to be held at Room 4

### SESSION 10

**Clinical research – peri-implant biology 2**

**CHAIR**

- Andrea Momberelli (Switzerland)

**JUDGES**

- Giovanni Sav (Switzerland)
- Flemming Isidor (Denmark)
Saturday 28th September
Morning

9:00 - 10:30
Auditorium
SESSION 11
How to treat peri-implantitis
CHAIRS
Frank Schwarz (Germany)
Aušra Ramanauskaitė (Lithuania)

Current approaches for treating peri-implantitis
Ignacio Sanz Sanchez (Spain)
Regenerative approaches for peri-implantitis
Jan Derks (Sweden)

Room 6
SESSION 12: JUNIOR COMMITTEE SESSION
When to save or “extract” an implant in the aesthetic zone
CHAIRS
Helena Francisco (Portugal)
Tommie Van de Velde (Belgium)

SPEAKERS
Luca de Stavola (Italy)
Kai Fischer (Germany)
Jose Nart (Spain)

9:00 - 12:30
Room 10
ORAL COMMUNICATIONS
Clinical research – prosthetics
CHAIR
Klaus Gotfredsen (Denmark)
JUDGES
Timo Narhi (Finland)
Christel Larsson (Sweden)

Room 3
DENTAL ASSISTANTS COURSE
Theoretical session
SPEAKERS
Inês Faria (Portugal)
Francisco Brandão de Brito (Portugal)
Frederico Catalão (Portugal)

Implant therapy: what is it?
Indications for implant therapy
Diagnosis and treatment planning
Surgery
Complementary surgical procedures
Guided bone regeneration
Maxillary sinus elevation
Soft tissue grafting
Post-operative care
Rehabilitation of implants
Supportive therapy
Peri-implant pathology

Room 9
ORAL COMMUNICATIONS
Best posters presentations
CHAIR
Robert Haas (Austria)
JUDGES
Matthias Kern (Germany)
Alfonso Gil (Spain)

11:00 - 12:30
Auditorium
SESSION 13
The changing shape of abutments and implants: future evolution
CHAIRS
Türker Örnekol (Turkey)
Ricardo Faria Almeida (Portugal)

Implant surface modifications
Ann Wennerberg (Sweden)
Abutment surface modifications
Luigi Canullo (Italy)
How implant and abutment design influence clinical outcomes
Hugo de Bruyn (Belgium)

Room 6
SESSION 14
Antibiotics in implant dentistry
CHAIRS
Morten Enersen (Norway)
Michel Breck (Belgium)

Antibiotics, globalisation and bacterial resistance
Gunnar Kahlmeter (Sweden)
Antibiotics in implant dentistry
Bodil Lund (Norway)

11:00 - 12:30 | Certification workshop | Room 9
Learn more about how to apply to the EAO Certification Programme and become EAO certified next year!

Saturday 28th September
Afternoon

13:30 – 15:30
Awards ceremony followed by the plenary session:

PLENARY SESSION 3
Clinical case presentation and discussion

CHAIRS
Bjarni Pjetursson (Iceland)
Susana Noronha (Portugal)

SPEAKERS
Helena Rebelo (Portugal)
Guillermo Pradies (Spain)
Mithridade Davarpanah (France)
Stefano Gracis (Italy)

EXPERTS
Juan Blanco (Spain)
David Nisand (France)

13:30 – 15:30
Room 3
DENTAL ASSISTANTS COURSE
Hands-on workshop

SPEAKERS
Inês Faria (Portugal)
Francisco Brandão de Brito (Portugal)
Frederico Catalão (Portugal)

- room preparation
- patient preparation
- instruments: which to choose and how to organise them
- implant surgery - step by step, aspiration and implant handling
- suturing
- five post-operative recommendations

13:30 – 14:30
Room 8
SPERO® SESSION 2
B3D lip sculpture: the harmony of lips with smile and face
Andressa Ballarin (Brazil)

CHAIRS
Duarte Marques (Portugal)
Paulo Julio Almeida (Portugal)

14:30 – 15:30
Room 8
SPERO® SESSION 3
Osteogenic distraction: application in aesthetics, orofacial physiology and rehabilitation
Alberto Pereira (Portugal)

CHAIRS
Duarte Marques (Portugal)
Paulo Julio Almeida (Portugal)

15:30 – 15:45
Closing remarks
Auditorium 1

* SPERO: Sociedade Portuguesa de Estética e Reabilitação Oral
Industry satellite symposia

Thursday 26th September

Room 2

Enabling best practices using Osstell implant diagnostics
Evidence-based guidance for implant loading – sharing knowledge for predictable treatment outcomes

MODERATOR
Marcus Dagnelid (Sweden)

SPEAKERS
Jeff Ganeles (USA)
Barry Levin (USA)
Neil Meredith (Australia)

Room 8

What if a prosthetic frame could influence quality of life?

Clinical experience with PEEK infrastructure results of an ongoing prospective study
Carlos Moura Guedes (Portugal)

Lab perspective with PEEK infrastructure in multiple applications on implant dentistry
António Silva (Portugal)

The potential of PEEK infrastructure for achieving and maintaining successful results
Miguel de Araújo Nobre (Portugal)

Room 2

17:00 - 19:00

Regeneration of tissues in sites affected by peri-implantitis
Stefan Renvert (Sweden)

Digital planning in GBR: customized bone regeneration* in complex bone augmentation
Bilal Al-Nawas (Germany)

Room 6

Bringing inspiration and innovation to dental professionals
Inspiration TALKS – making the difference with evolution, innovation and convenience

SPEAKERS
Lyndon Cooper (USA)
Martin Wanendeya (UK)
Malene Hallund (Denmark)

Room 8

Advancements in implant dentistry – accelerating clinical developments with novel techniques and long-term proven elements

MODERATOR
Mariano Sanz (Spain)

Surgical performance of implant designs aiming at immediacy concepts and compromised sites
Tiziano Testori (Italy)

Influence of implant and prosthetic features on long-term marginal bone level
Fernando Guerra (Portugal)

Novel soft tissue matrix designed for repopulation and revascularisation. First clinical report on NOVOMATRIX™
Gerhard Iglhaut (Germany)
Industry satellite symposia

Friday 27th September
17:15 – 19:15

Auditorium

Revolutionary innovations for improved patient care – experience the new Nobel Biocare N1™ implant system and NobelPro Line™

SPEAKERS
Gabor Tepper (Austria)
Tristan Staas (Netherlands)
Paulo Malo (Portugal)

Room 6

Achieving predictable clinical outcomes in immediate implant protocols

Appropriate planning and innovative techniques

MODERATOR
Waldemar Polido (USA)

SPEAKERS
Eirik Aasland Salvesen (Norway)
Algirdas Puisys (Lithuania)
Tomas Linkevicius (Lithuania)
Louwrens (Blackie) Swart (Republic of South Africa)
Edmond Bedrossian (USA)

Room 2

How to combine bone regeneration and orthodontics

What is predictable, possible and impossible in digital dentistry

SPEAKERS
Rodrigo Neiva (USA)
Guillermo Pradies (Spain)

Room 2

Discuss ideal restoratively driven digital implant planning

Achieving perfect implant placement? Strategies for prosthetically driven digital implant planning

SPEAKER
Zachary Evans (USA)

Saturday 28th September
12:30 – 13:30

Room 2
Hands-on sessions

Friday 27th September

Morning 9:00 - 11:30 OR 13:30 - 16:00

Room 12

Morning and afternoon

Morning

The use of a sugar cross-linked volumising collagen scaffold as a minimally invasive option for soft tissue enhancement around teeth and implants

SPEAKER
Darko Bozic (Croatia)

Afternoon

Bone and tissue augmentation and regeneration – a simplified approach to create true bone

SPEAKER
Yuval Zubery (Israel)

Room 7

Morning

The use of a sugar cross-linked volumising collagen scaffold as a minimally invasive option for soft tissue enhancement around teeth and implants

SPEAKER
Darko Bozic (Croatia)

Afternoon

Bone and tissue augmentation and regeneration – a simplified approach to create true bone

SPEAKER
Yuval Zubery (Israel)

Room 11

Morning

Immediate restorations – meet the demands of your patients and grow your practice

SPEAKER
Tristan Staas (The Netherlands)

Afternoon

Immediate implant placement – patient benefits of graftless immediate solutions

SPEAKER
Gabor Tepper (Austria)

Room 13

Morning

Knowing the efficacy of implant non-surgical treatments

Non-surgical treatment of peri-implant diseases: theory and hands-on training

SPEAKER
Gonçalo Assis (Portugal)

Afternoon

Knowing the efficacy of GBT in periodontal non-surgical treatment and non-surgical treatment of implant diseases

Non-surgical treatment of periodontal and peri-implant diseases: theory concepts (advantages and limitations) and hands-on training

SPEAKER
Ricardo Faria Almeida (Portugal)
Clinical Oral Implants Research: The official journal of the EAO

Impact Factor: 3.825
(InCites Journal Citation Reports © 2019 Clarivate Analytics)
ISI Journal Citation Reports © Ranking: 2018:
5/90 (Dentistry, Oral Surgery & Medicine); 14/80 (Engineering, Biomedical)

Editor-in-Chief:
Lisa J.A. Heitz-Mayfield,
The University of Western Australia

Clinical Oral Implants Research (COIR) has the highest impact factor of all implant journals.

EAO members enjoy free access to the online edition of COIR, enabling you to keep track of the latest scientific research.

See more: bit.ly/COIRjournal
e-Posters

Over 600 abstracts have been selected for poster presentation. Posters have been divided into five themed categories, described below. This year, e-Posters are displayed in the e-Posters zone located on the mezzanine of Hall 2.

Full abstracts can be found in the online conference abstract book, published as a supplement of Clinical Oral Implants Research (COIR) and are also available in the congress app.

| 1 | Basic research |
| 2 | Clinical research – peri-implant biology |
| 3 | Clinical research – prosthetics |
| 4 | Clinical research – surgery |

Relax and connect in the Members Lounge.

While you are at it, learn how to improve your professional profile with a communication expert.

See you on the other side!

Join the EAO now and get 3 months for free!

Start enjoying your benefits today.

- Save up to €50 off your registration fee for the Annual congress in Berlin 2020
- Priority registration and reduced fees for EAO Master Clinician Courses
- Digital access to exclusive videos on the Online Library
- Monthly digest and online access to Clinical Oral Implants Research
- Online access to the International Journal of Prosthodontics (printed copies for full members)
- Networking opportunities: special events, congresses, online discussions through your member space

info@eao.org | www.eao.org
Honorary membership is the highest honour that the EAO can bestow on individuals who have contributed greatly both to science in the field of implant dentistry and to the association. Only six individuals have received this recognition up until now.

The EAO is delighted to present Honorary membership to Friedrich Neukam in acknowledgement of his outstanding contributions to the field and to the EAO. Professor Neukam was appointed Head of the Department of Oral and Maxillofacial Surgery at Erlangen-Nuremberg University in 1995, and held this position until 2017.

Professor Neukam has been heavily involved with the EAO since 2001 when he joined the Board of Directors, remaining on the board until 2010. He was appointed Secretary General in 2004 and became President of the association in 2006. Professor Neukam has also been involved in the organisation of a number of landmark EAO events. He chaired the annual scientific meeting in Munich in 2005. In 2011 he also co-chaired the congress in Athens.

Professor Neukam has served as Editor-in-Chief of the Journal “Oral and Maxillofacial Surgery”, President of the German Association of Oral Implantology (DGI), and received an honorary doctorate from the Medical Faculty of the University of Athens in 2010.

Past recipients of Honorary membership of the EAO are:

- P-I Brånemark  
- André Schroeder  
- Daniel van Steenberghe  
- Niklaus P. Lang  
- Franck Renouard  
- Christoph Hämmerle

In recognition of his prolific career and expertise in the field of oral and maxillofacial surgery, the EAO is truly honoured to welcome Professor Neukam among these individuals, and award him Honorary membership.

Professor Neukam will be honoured during the Faculty and Members dinner on September 26th.
